

MEMORANDUM

TO: Weber School District Board

FROM: Keri Meyerhoffer

DATE: August 4, 2021

SUBJECT: **CHANGES TO 2021-2022 FEES SCHEDULES**

Some concerns have been brought to our attention regarding the 2021-2022 Fees Schedules for the Weber School District, originally approved on May 5, 2021.

- The charge of the AP Test, set by the Vendor has been increased from \$94 to \$95
- Commercial Photography \$10 fee was left out of the list of CTE courses on the High School Fees Schedule
- Food Handlers permit wording has been updated to reflect “up to \$25”. This is due to a fluctuation in the vendor’s charge due to the permit test provided.

These changes are indicated in red. Please accept the recommendation of these changes to be made to our 2021-2022 Fees Schedules.
