## Monthly Board Report

September 22, 2021

This month sure has started out interesting to say the least. Our new elementary custodian, Geno Colbert, is doing an excellent job and seems to have adapted well to his duties. He is definitely proving to be a welcome addition to the CCSD staff. Thomas Mills Jr. and Doyle Canada, as always, are doing an excellent job keeping the middle and high school in good shape.

Trampus Conatser has been servicing our bus fleet as well as driving bus routes. We have been doing whatever landscaping we can do but the weather has not been cooperating very well this month.

I have been installing new exhaust fans in the wood and welding shop to help facilitate better exhausting of the fine wood particles, metal particles, and welding fumes which have at times been an issue. I have also begun getting heating and HVAC systems ready for the oncoming winter months. There is, of course, always minor issues arising that need to be taken care of.

During the last week of September and the first week of October I will be out of town on an elk hunt, so Trampus will be taking care of things in my stead while I am gone.

We have a preventative maintenance site visit from Wayne Marquis in November so steps are being taken in preparation for that. Our last site visit from him went well and should go just as good this time.

That is all I have for the moment. As always thank you for your support.

Zach Scheidecker
