### **Assessments**

The students worked hard and finished up all of their MAST tests for Window 4. We had 100% of our students tested for all MAST tests all year. Thank you students, parents and staff for getting this massive task completed. We will review our scores and teaching materials to plan out lessons for next year. With the addition of our new teacher it will help us when we break into groups to teach the skills.

### **Attendance Awards 2nd & 3rd Qtr**

### **BNAS Visit & Star Lab with Robert Hall**

### **WaterPark and Movie Trip to Great Falls**

Our Babb students don't get to town much or out of the county so when we are able to raise money for them to go to the movie, to eat out or to swim they are very appreciative and respectful of the venue. Our PTO assisted our school to get us to the movie and Scheel's water park.

### **FIELD TRIP**

Hiking trip to the park with the rangers. Our students were able to go further into their own back yard (Glacier National Park) and hike and learn about the flora and fauna.

Thank you Babb Elementary Community for your support!
