PROPOSED REVISIONS

Student Illness

Procedures shall be established by the administration to ensure that proper attention is given to any student who becomes ill during the course of a school day.

Accidents Involving Students

Emergency procedures shall be established by the administration to ensure proper attention for any student injured at school. Records shall be maintained on all accidents that require the attention of a medical doctor.

Emergency Treatment Forms

Each year, students and parents shall complete and sign a form that provides emergency information and authorizes school officials to obtain emergency medical treatment, as provided by law.

Purchasing Medication

Except as provided in this policy at ADMINISTRATION OF MEDI-CATION TO ATHLETES, below, the District shall not purchase nonprescription medication to administer to a student.

Administering Medication

No employee shall give any student prescription medication, nonprescription medication, herbal substances, anabolic steroids, or dietary supplements of any type, except as provided below.

Provided by Parent

Employees authorized by the Superintendent or designee may administer to students:

- Prescription medication in accordance with legal requirements, for a period of up to ten days. [See FFAC(LEGAL)] A written request by a physician or other health-care professional with authority to write prescriptions shall be required when the medication must be administered for a longer period
- Nonprescription medication, upon a parent's written request, when properly labeled and in the original container.
- Herbal substances or dietary supplements provided by the parent and only if required by the individualized education program (IEP) or Section 504 plan of a student with disabilities.

EPINEPHRINE

The District authorizes school personnel who have <u>agreed in writing and</u> been adequately trained to administer an <u>unassigned</u> epinephrine auto-injector in accordance with law and this policy. Administration of epinephrine shall only be permitted when an authorized and trained individual reasonably believes a person is experiencing anaphylaxis.

ON CAMPUS

Authorized and trained individuals may administer an <u>unassigned</u> epinephrine auto-injector at any time to a person experiencing anaphylaxis on a school campus.

WELLNESS AND HEALTH SERVICES MEDICAL TREATMENT

FFAC (LOCAL)

The District shall ensure that at each campus a sufficient number of personnel are trained to administer epinephrine so that at least one trained individual is present on campus during all hours the campus is open. For purposes of this policyln accordance with state rules, the campus shall be considered open beginning with the first hour of instruction through the last hour of instruction this purpose during regular on-campus school hours and whenever school personnel are physically on site for school-sponsored activities.

Off Campus

Authorized and trained individuals may administer an <u>unassigned</u> epinephrine auto-injector to a person experiencing anaphylaxis at an off-campus school event or while in transit to or from a school event when an <u>unassigned</u> epinephrine auto-injector is available.

MAINTENANCE, AVAILABILITY, AND TRAINING

The Superintendent shall develop administrative regulations <u>designating a coordinator to manage policy implementation and addressing annual training of school personnel in accordance with law; procedures for auto-injector use; and <u>acquisition or purchase</u>, maintenance, <u>expiration</u>, <u>disposal</u>, and availability of <u>unassigned</u> epinephrine auto-injectors at each campus.</u>

Notice to Parents

In accordance with law, the District shall provide notice to parents regarding the epinephrine program, including notice of any change to or discontinuation of this program.

Administration of Medication to Athletes

The District shall purchase nonprescription medication that may be used to prevent or treat illness or injury in the District's athletic program. Only a licensed athletic trainer or a physician licensed to practice medicine in the state of Texas may administer this medication and may do so only if:

- The student's parent has given prior written consent for medication to be administered: and
- The administration of a medication by an athletic trainer is in accordance with a standing order or procedures approved by a physician licensed to practice medicine in the state of Texas.

Psychotropics

Except as permitted by Education Code 38.016, an employee shall not:

- Recommend to a student or a parent that the student use a psychotropic drug;
- 2. Suggest a particular diagnosis; or
