

Board Report  
Newbridge HS

June 4, 2009

Number of students 107

All of us at Newbridge took a collective sigh of relief when the Oregon Youth Authority announced that the Rogue Valley Youth Correctional Facility will be staying open. OYA has also committed to maintaining Rogue Valley as a facility for youth needing to complete high school. Based on the best budget information I have at this time, we will be operating the same program as last year with no personnel changes.

We have graduation events scheduled for Monday, June 22 at 1:30 and 6:30. We have 19 youth slated to receive either a diploma or GED. This represents a high water mark in the history of our program. We will be sending formal invitations to all board members in the near future.

We are finalizing our summer program at this time. We will be offering a four week enrichment program worth a half credit of elective credit. Among the offerings will be art, math, computer research skills and building technology.

I have appreciated everyone's support this year!

Respectfully submitted,  
Dave Fuller
