PUBLIC HEARING

Texas Education Code §39.306, requires each district's board of trustees to publish an annual report that includes the PDF TAPR, campus performance objectives, district accreditation status and any distinction designations awarded, the district's current special education compliance status (included in the district PDF TAPR cover page), information on violent or criminal incidents and prevention policies, information on the performance of the previous year's graduates in their first year of college, as reported by the Texas Higher Education Coordinating Board (THECB), and any supplemental information.

The scope and function of this year's TAPR has expanded. It now takes two forms: an online data system, more comprehensive and dynamic than in previous years, and a scaled back PDF version. Data are added to the online TAPR system as they become available.

LISD's 2018 status of Special Education Needs Intervention continues as indicated on the cover page of the TAPR report. Each campus report includes their accountability rating and distinctions.
