VOLUME LXIII

FOR ACTION

SUBJECT: Ionia County ISD Budget

Background and Findings:

Section 624 of the Revised School Code, as amended, requires the intermediate school district to submit its proposed budget to the local school boards on or before May 1, 2026. The local school district's Board of Education must do the following on or before June 1, 2026:

1. Review the proposed intermediate school district budget;
2. Adopt a resolution expressing the Board's support for or disapproval of the proposed budget; and
3. If the Board disapproves of the budget, submit to the intermediate school board any specific objections and proposed changes the constituent Board has to the budget.

The local constituent school boards should authorize the superintendent to forward a copy of the resolution to the intermediate school board in a timely fashion (on or before June 1, 2026) to permit the intermediate school board to consider the proposed budget changes.

A copy of the proposed budget has been forwarded to the Board for review.

Recommendation:

It is recommended that the Board approve the proposed budget.
