

LYON COUNTY SCHOOL DISTRICT

Staff Travel Report
to
School Board of Trustees

Your recent request to travel has been approved. Within two weeks of the date of the conference, the following report is due in the office of the Deputy Superintendent via Margaret Heim.

Please Download & **TYPE** the following information.

Staff Member: Eric Ozolins School: SVS
Conference: Association for Career & Technical Education Staff Assignment Counselor
Do not use acronyms
Location of Conference: San Antonio, TX Dates Attended: 12/4-12/7

General Overview: Do not use acronyms

National Career and Technical Education conference that included non-profit, vendors, and educational opportunities for our students. In addition, educational seminars and workshops that included learning opportunities for counselors, administrators, and teachers to facilitate learning for our students.

How will this impact student learning in a positive way?

Whether a teacher, counselor, or administrator, the conference offered best practices to enhance student participation and success in the Career and Technical Education programs available at our schools. Through the knowledge gained from the conference, educators will be equipped to better serve and educate our student population.

How will I implement what I learned and how will I share this information with my colleagues?

I plan to share my learning discoveries with the district counselors and help support our two new CTE teachers at my school. In addition, I will use my gained knowledge to better assist my students in class selection and career paths once they graduate from high school.
