RE: Exterior Security Cameras – Elementary Schools

DATE: July 9, 2013

Over the course of this school year, we have experienced several incidents at some of our elementary schools which has caused us to consider the installation of security cameras at all exterior entrances. In order to insure security not only to all of our entrances but the contents within the buildings as well as the ability to potentially identify violators, the installation of security cameras at each exterior location, including one directed at each playground, would prove beneficial. These are digital cameras, web-based, which would allow access from home as well as providing direct access to the police department. Here is the breakdown, of the 79 total exterior cameras, by building:

Beye	10 exterior cameras
Hatch	7 exterior cameras
Holmes	9 exterior cameras
Irving	8 exterior cameras
Lincoln	10 exterior cameras
Longfellow	11 exterior cameras
Mann	11 exterior cameras
Whittier	13 exterior cameras

An appropriate legal notice announcing such work was published in the June 6, 2013 issue of the Oak Leaves, calling for a mandatory pre-bid meeting on Tuesday, June 18 (at which time 14 vendors attended) with a due date of Tuesday, June 25, 2013. At the time of the bid opening, nine vendors submitted bids, a summary is attached. A range between low and high bid is \$79,150.13 to \$225,880.00; however, the second low vendor was \$79,843.61, within \$700.00 of the vendor we are recommending for award.

We are checking references and, as of the writing of this memorandum, two of four have indicated satisfaction with the performance and quality of workmanship of Acamard Technologies and are following up with the other two references. We are recommending award of this contract to Acamard Technologies in the total amount of \$79,150.13 and have included these dollars in the proposed 2013-14 budget within the Operations & Maintenance Fund. This will return to the second meeting in July for Board approval.

Attached to this memorandum is a copy of the legal bid notice, the sign-in sheet for mandatory pre-bid meeting, a list of vendors invited to bid, as well as the bid summary.
