Consolidated Plan

The district's submission of the Consolidated Federal and State Grant Application (CFSGA) has been approved with the exception of Title I-C Migrant Education. The SDE has yet to review our migrant plan due to new hiring. They anticipate it will be reviewed by August 15. This application outlined our planned use of federal and state dollars for the coming year. A large portion of each program is dedicated to staffing classified and certified staff within the three buildings.

Our preliminary grant awards:

Title IA, Basic Program - \$284,824

Title IC, Migrant Program - \$137,867

Title IIA, Improving Teacher Quality - \$87,210

Title III, English Language Acquisition - \$19,610

State LEP - \$25,921

Final figures are typically available in October.

Federal Programs Review

We are scheduled for a federal programs review this year. This review is conducted by the SDE every three years. A team reviews all of our documentation in each program to ensure our district is in compliance with all regulations. We will also have a team present on site to observe classrooms and interview teachers, paraprofessionals, principals, parents, and program coordinators. We have not yet received our specific site visit date.

Jump Start Program

We have partnered with Marsing to provide a Jump Start Summer School Program this year. The program was housed at Marsing and ran for three weeks the last two weeks of July and first week of August. We bussed approximately 40 kids to the program daily. They were able to receive academic support, enrichment from the University of Idaho 4-H program, and a class focused on Chinese culture taught by a college exchange student from China.
