

# Monaco Elementary Board Communication

## March 2013

**Happy St. Patrick's Day!** We are starting out March with **UIL Champions** on our elementary campuses! Back-to-Back wins for Aubrey! Can we three peats?

We will be having our **Open House/Science Fair** on the 26<sup>th</sup> from 6:00-7:30 pm. Lots of cool things are planned for that night. The Students will display their science projects for everyone to see. **Sci-Tech** will be here with some awesome exhibits and demonstrations! Sounds like an exciting evening!

**Huddle** was a BIG success! There were quite a few students wearing their clothes backwards on Friday the 1<sup>st</sup>. Those who made it the last 6 weeks without an absence participated. They were very inventive!

**Fish Camp (Tutoring)** is going well! STAAR is just around the corner.

**M&M's** (Monaco Musicians) are still going strong. They will be having their performance in May. This is for our 4<sup>th</sup> and 5<sup>th</sup> graders.

**Kinder** went on their **Field Trip** to the **Ft. Worth Museum of Science and History!** They were very jazzed when they returned!

**First Grade** performed, **Winter Again**, on Thursday, February the 28<sup>th</sup>, at 7:00 pm. They were so adorable in their winter gear!

The week before spring break we stressed **Anti-Bullying!** Every day was a different theme. The students participated by dressing in crazy socks, crazy hat/hair, favorite super hero, favorite team, and sunglasses. Many of the students were quite imaginative!

**Spring Break!!!**

**Second Grade** will also be going on their Field Trip to the **Ft. Worth Museum of Science and History** on the 22<sup>nd</sup>.

**Fourth Grade** will be making a journey into the past at the **Bloomfield One-Room Schoolhouse** in Pilot Point on the 6<sup>th</sup> and 7<sup>th</sup>. The students will get to experience what school was really like in the late 1800's. They will dress in authentic clothes and enjoy a day of learning and remembering.

**Book Fair** will be going on the week of the 25<sup>th</sup> with a **Family Night** the evening of the 26<sup>th</sup>.

MES will also have our monthly **Moo Yah Night** on the 21<sup>st</sup> at the Little Elm location.

**Stu Co Penny Wars** started in February and the war has commenced! Those grade level buckets are filling up! In this war only pennies count. The students have figured out if they put paper money or silver coins in another grade level's bucket it counts against that grade level's total. This is one of the many fundraisers Stu Co participates in to raise money for worthy causes.

**Daylight Savings Time** begins on the 10<sup>th</sup>. We will be **Springing Forward!**

March also hosts many other holidays. **Texas Independence Day** (March 2, 1836), Theodor Seuss Geisel's (**Dr. Seuss** to his friends) birthday, **St. Patrick's Day** (for all us Irish out there), **Girl Scouts** 100 year anniversary, **Good Friday** the 29<sup>th</sup>, **Easter** the 31<sup>st</sup>, and last but not least, our illustrious leader, **Dr. Monaco's** birthday!

**From All of Us at MES....**

**Have a Blessed March!**
