| <b>CMEA AGREEMENT</b><br><b>ARTICLE VI – PROFESSIONAL COMMITTEES AND</b><br><b>ARTICLE VIII – ASSOCIATION AND TEACHERS RIGHTS</b>  |
|--|
| <p><b>6.1</b> The Board agrees to the establishment of Professional Association Committees for the following areas: teacher evaluation (including PERA and SB 7), health and medical insurance, employee handbook, school climate/student discipline and the annual school calendar. Association members of any Professional Association Committee will be selected by the Association. Professional Association Committee(s) will be empowered to make recommendations in the above mentioned areas to the Board or its designee.</p> <p><b>8.3</b> The Superintendent or his/her designee shall meet with the representatives of the Association to seek their suggestions for a calendar to be subsequently recommended to the Board for approval. Such schedule shall not include more than one hundred eighty-five (185) teacher employment days. The Board acknowledges the existence of its policy to delete from its calendar the unused emergency days at the end of the school term.</p> <p><b>8.4</b> The Association President shall be provided with a copy of the draft High School Schedule by July 15 of each year. A committee of no more than five teachers, serving without pay, may thereafter meet with the Administration to discuss the schedule prior to July 31 of each year. # HOLIDAY WAIVER

## PUBLIC HEARING INFORMATION

- The purpose of the holiday waiver is to provide the district with flexibility in the event of an emergency closure or a weather-related disruption when E-Learning is unavailable.
- **The holiday waiver does not automatically remove the five holidays noted. It simply gives the district the option to use them as attendance days if needed, helping protect the end-of-year calendar and avoid extending the school year.**
- Under the waiver, the district may hold school, teacher institutes, conferences, or staff development on certain designated holidays if needed, while still honoring those days through instruction and learning experiences.
- The proposed 2026–27 calendar and use of the holiday waiver were developed in collaboration with the District Calendar Committee, which includes representation from teachers, administrators, support staff, and district leadership.
- The committee met multiple times to review instructional, operational, and student-impact considerations before making this recommendation to the Board of Education. Again, this flexibility ensures the district can maintain instructional time when an emergency closure occurs and an e-learning day cannot be used.
- **As in the past, all five holidays mentioned are currently scheduled as non-attendance days on the proposed 2026–27 calendar.**
