

Homedale School District #370

TO: Board of Trustees; Superintendent Rob Sauer
FROM: Moss Strong, HMS Principal
DATE: August 2018
RE: Board of Trustees Report

Registration Update

We had a great turnout for registration with 80% of returning students attending our registration days. We have a total of 26 new students who attended registration. Preliminary numbers for grade levels have 5th, 6th, and 7th at 97-100 students and 8th grade at 90.

PBIS Leadership Team

The team has had a busy summer with professional development and preparing our staff professional development on the 14th. The team met with our BSU consultants on August 6th to finalize the professional development plan.

The Building

The maintenance crew and Irma and Jesus have the building looking sharp and ready for our staff and students. The new carpet and paint in the gym has really dressed up the school. We appreciate them so much.
