## Principal Lathen's Message.....

North Valley Community,

As the quarter comes to a close, I just want to inform our community about the start of the school year and what is on the horizon here at NVHS. We were able to have a great start due to the wonderful students and staff that call North Valley their own. Fall sports have had tremendous success and both the boys and girls soccer teams are continuing in the playoffs. The 3R initiative has been hugely successful with over 800 positive notes sent home to parents regarding their student's Respectful, Responsible, or Resilient behavior. Furthermore, we have had a school filled with activities ranging from the first NV tailgate to our Knight Flight in the commons.

As fall turns to winter, we have a few things coming up. The week of Thanksgiving is our parent teacher conferences on Monday and Tuesday the 20th and 21st. Hopefully, every parent can visit the school on those dates. In addition to conferences, winter sports will be starting soon as well as the drama production and winter concert in December. Come and see these programs and the hard work our students are doing.

Thanks for all your support, and enjoy the holiday season.

Erik Lathen  
Principal
