

Board Meeting Date: 8/11/25

Title: Priority 1: Safety and Security Assessment Action Plan

Type: Discussion

Presenter(s): Dr. Daniel Bittman, Interim Superintendent

Description: This proposal highlights Edina Public Schools' recommended approach to assessing and enhancing safety and security across its campuses during the 2025-2026 school year. The proposal emphasizes a holistic, layered strategy that would consider physical infrastructure improvements, mental health support, emergency preparedness, and modern reporting tools.

Recommendation: Accept the report as an informational update on district progress and priorities.

Desired Outcome(s) from the Board: Board members will deepen their understanding of safety and security elements while providing strategic direction, insights, and/or suggestions to the planned work.
