Teen Truth Presentation at Middle School and High School

- Aligns with Whole Child pillar of the strategic plan
- Addressed school culture and mental health from a student perspective
- Follow up from JC Pohl that presented to staff at the beginning of the school year.

Convened assemblies for both middle school and high school students with [Caleb Campbell](#) from Teen Truth. Caleb specializes in mental health presentations for students.

Followed up with a Student Summit with a group of 70 students from grades 6-12 to address from a student perspective challenges within our school community as well as to develop solutions to address those challenges. Student solutions and ideas are now being taken to building PBIS teams to review and determine feasible options to implement. Then these options will be taken back to the student teams to determine the implementation process.

Paraprofessional Training

- Continued training with CESA 9 for all district paraprofessionals
- Purpose to build capacity, confidence, and skills of staff.
- We have one more ½ day session scheduled.

MLSS Work

- Aligned with Whole child and Teaching, Learning, and Relevance Pillars

- **Teaching and Learning along with Pupil Services is working with district team to refine and align academic and behavioral practices, resources, and processes to support students and teachers.**
- **Team will be meeting again in January**
- **Goal of having systems aligned, consistent documentation, and clear pathway of supports and resources to implement for next school year.**
