Principal's General Narrative:

The Jr. High students have the STAAR Exams behind them for the most part. Algebra I students in the 8th grade will be taking their EOC Exam and the 8th grade students who did not pass the STAAR Reading / STAAR Math Exams will be retaking the exams for the second administration on May 14 and May 15.

Jr. High teachers are teaching and keeping students involved in learning, even though the students have the attitude that school is over. Teachers are doing a commendable job.

Cafeteria, maintenance and custodial personnel are keeping their respective departments in good shape and contributing to the educational efforts with their attention to details.

Thank you for all you do as a school board to make educating our children possible.

Respectfully submitted,

George T. "Stoney" Burks
