

C-I Secondary Board Report

Submitted by Jennifer Strom, Principal
June 2022

1. Thank you to all of the school board members for your participation in the Class of 2022 Commencement Ceremony!!
2. [Master Schedule 22-23](#)
3. [CIS Credits Class of 2022](#)
4. There will be two educational programs happening in the building this summer:
 - a. Extended School Year (ESY) runs on Monday-Thursday from July 18 - August 12th. This program is staffed by Allison Anderson and several paraprofessionals and is offered to students who show significant regression over the summer months.
 - b. Jump Start runs on Monday-Thursday from August 1st - 12th. This program is staffed by Minnie Fischer and James Fort and is being utilized this year as our COVID Recovery program for students who did make progress on their goals during COVID.
5. I want to end by giving thanks to all of my staff members! To completely rework what their job looks like at times, to work tirelessly to make the year a success, and to do it with passion, flexibility, and grace shows me how deeply invested they are in our school and our students. Thanks to ALL of you, from a very grateful principal!!
