This email corrects information sent in our previous email. Elections for Position 2 will not be held this year. All even-number positions, except Position 2, plus Positions 1, 3, 9, 17 and 19 on the OSBA Board of Directors, and all LPC positions, are up for election this year.

Dear Andrea Stevenson:

Autumn and a new school year are quickly approaching and with them comes your opportunity to select your representative on the OSBA Board of Directors and Legislative Policy Committee (LPC). All *even-numbered positions, except for Position 2, plus Positions 1, 3, 9, 17 and 19 on the OSBA Board of Directors* are up for election this year, and *all LPC positions* are also up for election. We've attached a list that includes the board of directors position numbers and region names, in addition to the names of the current board representatives. It is also available [online](#). Nominations open today.

Nominations

Serving on the OSBA Board or on the LPC provides an opportunity to develop leadership skills and impact issues at the state and federal levels. Board members interested in running for a position on the OSBA Board or the LPC need to be nominated by a member board within their region. Nominations require official board action. Sample language is available to assist in making a motion or resolution to nominate a candidate.

Action for individual board members:

If you want to run for a seat on the OSBA Board or the LPC, ask your local board or another member board in your region to nominate you.

Action for district staff:

Please consult your board about adding an agenda item to its September board meeting asking if any of your board members would like to serve on the OSBA Board or on the LPC and providing the opportunity to take official board action to nominate an interested board member.

Candidate nomination materials are due in the OSBA offices by **5 p.m., Friday**,

October 2, 2015. An election calendar is attached listing all the nomination and election dates.
