Type of Amendment Requested:

Change grade levels served

Current grade levels served 9-12

Proposed grade levels 10-12

Rationale: Hot Springs School District passed a millage in 2016. Over the past several years we have constructed two new buildings to minimize transitions. All elementary schools are now PK-6 and our new Hot Springs Junior Academy building will house grades 7-9. HSWCHS will become 10-12. All of this is to utilize/maximize space and staff efficiently. We consider the new secondary campus (both buildings will be next to each other on Emory St.) to be a Super campus where students will have access to all the staff and spaces they need to be successful.
