Good Morning,

Please consider this my resignation. I can no longer continue day after day putting myself in a unfriendly situation. I tried and thought following the steps of command would have helped but it seems the environment just remains the same behavior. I also never did hear the results of the report/situation as I was told I would be informed. However I have enjoyed the years I had with C.C. Which have inspired me to further my education while working and accomplished my one year degree.

Thank You

Monica Kipling
