AGENDA ITEM: Discuss and consider approval to adopt and implement a voluntary desegregation plan under the Magnet Schools Assistance Program Grant

The United States Department of Education Office of Innovation and Improvement requires that all schools submit a voluntary desegregation plan as part of the application process for Grants under the Magnet Schools Assistance Program. The District is applying for a new MSAP grant.

The purpose of the grant is to help school districts to implement magnet schools that will promote high student academic achievement; promote diversity; reduce, eliminate, or prevent minority group and socioeconomic isolation; and, promote a choice of curriculum delivery.

RECOMMENDATION: I move that the Board adopt and implement the attached voluntary desegregation plan under the Magnet Schools Assistance Program Grant.
