¹ This policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right. If a local collective bargaining agreement contains a provision on this issue, it will supersede this policy for those covered employees. In such cases, the board policy should be amended to state, "Please refer to the applicable collective bargaining agreement." For employees not covered, the policy should reflect the board's current practice.
