Tyson Mankin - Special Ed. Training - Sabinal, Tx	3/5/2014
Lee Abbey - Special Ed. Training - Sabinal, Tx	3/5/2014

**Principal's General Narrative:**

Spring activities are keeping students and staff jumping at Brackett ISD. UIL academics had an awesome showing at the district meet qualifying 16 students for the regional meet in Brenham. Teachers have also completed the first week of testing district -wide and have already set the stage for the next round of tests in late April.

Our boys and girls track team were crowned district champions at Charlotte this last week and I am proud to say Brackett entered 20 Varsity contestants and qualified 19 for area competition. The Brackett Baseball team has a strong hold on third place in the district which would qualify them for a bi-district playoff position if they can retain their hold on to 2<sup>nd</sup> or 3<sup>rd</sup> place.

Our One -Act Play team won the first round of competition but wound up just a little short in a tough field of competition at the second round of the competition. The group then hosted a dinner theater for the close of their season which was open to the community and wound up being a packed house for the event.

A couple of interesting upcoming events for students and parents are the upcoming Bullying session at the Kinney County Community Center that has Lizzy Sider as the program host. Lizzy is an entertainer that travels across the country working with schools on Bullying Issues including a song she released and played on the CMA awards. The program will consist of student's grades 3-8 and several visiting schools will be in attendance as well. The High School students will also attend a program sponsored by Home Land Security on the dangers of negligent cell phone use, cyberbullying, and other issues our students face with the media technology we deal with today in our world. Our administrators have attended this seminar and our district encourages parents to attend as well.
