5:40 Communicable and Chronic Infectious Disease

The Superintendent or designee shall develop and implement procedures for managing known or suspected cases of a communicable and chronic infectious disease involving District employees that are consistent with State and federal law, Illinois Department of Public Health rules, and Board of Education policies. [PRESSPlus1](#)

An employee with a communicable or chronic infectious disease will be permitted to retain his or her position whenever, after reasonable accommodations and without undue hardship, there is no substantial risk of transmission of the disease to others, provided an employee is able to continue to perform the position's essential functions. An employee with a communicable and chronic infectious disease remains subject to the Board's employment policies including sick and/or other leave, physical examinations, temporary and permanent disability, and termination.

PRESSPlus Comments

PRESSPlus 1. This policy is suggested to be reviewed by the Board. According to policy 2:240, *Board Policy Development*, "[t]he Board will periodically review its policies for relevancy, monitor its policies for effectiveness, and consider whether any modifications are required." IASB suggests that each policy in the Board's policy manual be reviewed at a minimum of every five years. As part of the review, the Board may choose to:

- Compare the adopted version to the current PRESS sample (available at PRESS Online by logging in at www.iasb.com), discussing any differences and/or options noted in the footnotes to determine whether local changes are necessary
- Update the policy language due to changes in local conditions

- Make no changes, but update the adoption date to reflect that the policy has been reviewed and re-adopted
