From: Angelina Osteguin, Board President

Item Title: Discussion and Possible Action to approve "Next Quarter Targets" on the Quarterly Progress Tracker *LSG

Description:

The Lone Star Governance framework requires the school board to conduct a quarterly assessment of their progress. The board conducted their current assessment of progress during the April 18, 2018 Regular Called Meeting.

Recommendation:

It is recommended that the school board approve the "Next Quarter Targets" completed for next quarter.

District Goal/Strategy:

I know that the community budget reviews is one one to strive for this. In what other ways are we engaging the community to build trust?

Strategy 1 We will engage all school community members through transparency and effective communication to create an inclusive environment for all students.

Funding Budget Code and Amount: CEO Approval

As you know, our strategic design process has been another effective way to engage and build trust with our community. In addition, each board member is to hold a community meeting for the district they represent for feedback and to build/sustain trust.
