### **Purpose/Background:**

The District's subscription to IXL is up for renewal. IXL is an online, subscription-based learning program that provides personalized, Common Core-based Math and ELA practice for Grade 2-5 students and ELA practice for Lincoln Hall. Students can access IXL at school or home and cumulatively answered 2,500,000 questions using IXL this past school year.

Legal Counsel reviewed IXL's Terms and Conditions and noted IXL is not requiring any signatures this year. This effectively extends the prior sales contract and addendum to the Terms and Conditions between IXL and the District which were approved by Counsel last year and still acceptable.

### **Fiscal Impact:**

\$9,900

### **Recommendation:**

It is the Administrative recommendation that the Finance Committee concurs to recommend to the Board of Education to accept this Agreement from IXL for Math and ELA practice for Grade 2-5 students and ELA practice for Lincoln Hall in the amount of \$9,900 from July 10, 2020 to July 10, 2021.
