

MAY

Greetings Evergreen Families,

Exciting things are happening at Evergreen. The District recently shared that Evergreen will be receiving some needed upgrades to our gym. These improvements will be starting in the coming days. I am thrilled that needed seismic issues will be addressed, along with new restrooms closer to the blacktop.

As warmer weather approaches, we would really like to see our lost and found disappear. We will be having students walk by our lost and found next week, however, parents are welcome to drop by and look through these boxes for lost items.

I also want to take this opportunity to remind families that our last Title Family Engagement Night will be this Thursday, May 2nd. Evergreen will be hosting a multicultural night. We look forward to seeing you there.
