# What is CCMR?

## College-Ready Pathways

- **College Ready through SAT, ACT, and/or TSIA2 Assessments:** Meeting the college-ready benchmarks
- **AP Exams:** Scoring a 3 or higher on an AP exam
- **Dual Credit:** Completing and earning 6 credits in a dual credit course in English language arts (ELA) or mathematics, or earning 9 credits or more in any subject dual credit course

## Career-Ready Pathways

- **Industry-Based Certifications:** Earning a recognized industry-based certification in areas like healthcare, information technology, or manufacturing; and **CTE (Career and Technical Education) Coherent Sequence Coursework:** Completing a coherent sequence of CTE courses in a program of study that leads to an industry-based certification.

## Military-Ready Pathways

- **Enlistment in the Military:** Enlisting in any branch of the U.S. Armed Forces & submission of DD-4 form

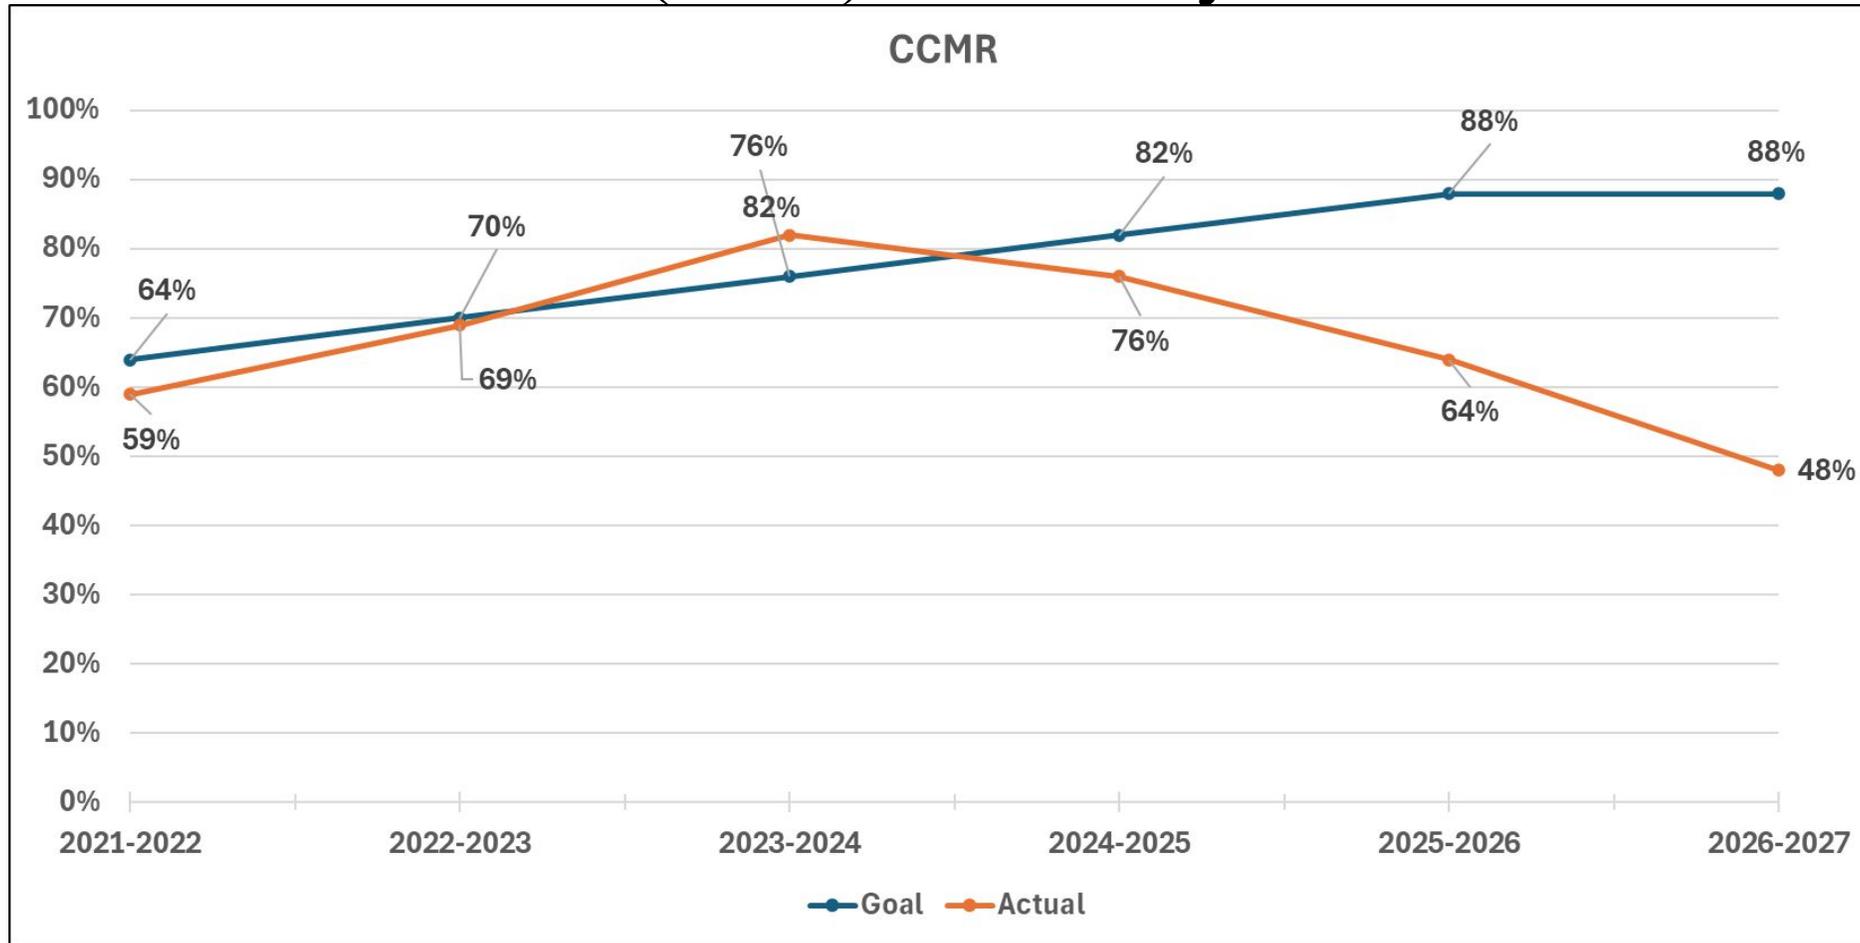

## Other Recognized Achievements

- **OnRamps Dual Enrollment:** Successfully completing an OnRamps course (UT-Austin's dual enrollment program).
- **College Prep Courses:** Completing a college preparatory course in ELA or mathematics, as defined in a partnership agreement with a higher education institution.
- **Completed IEP & Workforce Readiness Measures:** Pathways for special education serviced students who meet specific criteria

# Goal 3: CCMR

The percentage of graduates earning a CCMR point will increase from 64% (2022) to 88% by June 2026.

# How is CCMR Data Collected & Reported?

Graduating Class	CCMR %	Validation Status	What's Next?	Data Validation Timeline
2024	76%	Complete	TAPR 2025	Complete
2025*	64%	Still in Collection; pending verification	March 2026 Verifier	CCMR Data for Class of 2025 will be reported in August 2026 A-F & 2026 TAPR
2026*	48%	Very raw, students are still earning their point throughout the school year.	Students work towards graduation and point completion; 2027 Verifier	CCMR data will be reported in August 2027 A-F & 2027 TAPR
