Thank you to our **amazing** Kitchen Manager, Diana West, Applegate School is proud to be able to introduce a “Supper Program” to our students, free of charge. Students who stay after school for sports, after-school clubs or are “parent pick-up” are able to get a healthy, well balanced sack supper to eat after school. If a child riding the bus would like a meal, they will need to store it their backpack until they are off of the bus.

Girls Basketball practice began Monday, January 4th. Our first game is January 20th! There is still time to sign up if you are interested. If you already have paperwork, please get it returned **as soon as possible** so that you can join practices!!!! We have now opened enrollment up to 5th graders as well!

Please remember that is your child arrives late to school, you need to come with them to the office and sign them in.

Please also remember, that if you student is traveling home from school in a different mode than usual, or to a different address than usual, we need a phone call to the office no later than 2pm on that day. If your student is going home with another student, **BOTH sets of parents** need to call the office to let us know this is ok.

The Student Store is open for business! It is open on Monday and Wednesday from 12:00-12:15....most
