WiRSA Conference 2024

On Monday, October 28th, School Board President, Debbie Peterson, was honored at the 2024 Wisconsin Rural Schools Alliance as the School Board Member of the Year. Debbie has served the Unity School District community for over 35 years! Under Debbie's leadership and collaboration with fellow School Board members, Unity School District has flourished, aligning closely with the values of the Unity Community. Her guidance has been instrumental in the success of multiple building referenda and a recurring operational referendum over the past three decades, ensuring the district's sustainability and growth. Debbie's vision and efforts have preserved and enhanced the educational opportunities for Unity School District students. Thank you for your service!

Unity School District has undergone some changes over the last few years to help support the academic success of students in the areas of reading and mathematics. Jillian Chell has played a major role in the success of those changes. While she is currently serving in the role of Reading Specialist, Mrs. Chell has been a part of the Unity family for 23 years! Her passion for all things reading is contagious, and her hard work and dedication to the success of students is second to none. Thank you Mrs. Chell for your ongoing leadership and commitment to our Unity Community!
