Background Information

November 2023 the Duncanville ISD community approved a \$170M bond that allows the district to address priority maintenance and security needs, replace aged transportation, reconfigure campuses, add more choice instructional options, and expand career and technical education programs.

Specifically, the 2023 Bond enables us to **renovate** all campuses and **reconfigure** elementary campuses from PK – 4th grade to PK – 5th grade, and middle schools will become 6th, 7th, and 8th grade campuses.

Considering enrollment and funding trends, **rezoning** schools into feeder patterns that matriculate to Duncanville High School supports instructional, fiscal, and operational efficiencies.
