Homedale Board of Trustees,

## Girls Basketball-

The girls' varsity has improved immensely since last year. Their current record is 6-6 and 2-0 in SRV play. Coach Sorenson has them playing well. They have a lot of conference games coming up this month.

## Boys Basketball-

The varsity boys are continuing to get better every game. They had the most difficult non conference schedule in at least the last 14 years. Currently they are 4-6. They just beat the defending 3A state champs, Kimberly, at home on December 30th. They start conference play on January 12th vs. Payette.

## Wrestling-

The wrestling program is getting better every week. Coach Levinski and his staff are working hard and getting the kids in the tournaments they need to be in. They have Rollie Lane coming up this week for the upper level varsity kids and a JV tourney at Middleton for the rest of the kids. Their conference season starts on January 11th @ McCall.
