

## **BUILDINGS/GROUNDS & TRANSPORTATION REPORT**

**Date:** August 15, 2022  
**To:** Board of Education  
**From:** Jeff Stauder

### **BUILDINGS/GROUNDS**

#### **Facilities Committee**

The Facilities Committee met on August 11. I have attached the minutes. The next meeting is TBD.

#### **Elementary Building**

BLDD and Poettker Construction will be presenting bid Documents. The Facilities Committee reviewed them on Thursday.

#### **Facilities**

The Custodians and the Maintenance staff have been working hard this very short summer. The buildings are looking good and will be ready for students and staff on the first day of school. There are still a few small projects that we did not get to but we will work on them as time allows.

#### **Annexation**

I mentioned at the last Board meeting that we will need to annex the Coonrod property along with 9<sup>th</sup> street and Willson street. I have not yet received the Documents to move forward with this. It is my hope to have this ready for the next Board meeting.

### **Transportation**

We are finalizing route sheets and making a few late additions, then we should be ready for the first day of school.

The Activity bus is supposed to be here in two weeks. This will hopefully help out with the extra trips that have been added with the addition of Jr. High softball, baseball, soccer and cross country.
