SUBJECT: Recommendation for the Purchase of Physical Education Equipment

I am recommending and seeking approval to purchase physical education equipment from U.S. Games of Dallas, Texas at a cost of \$25,107.96. U.S. Games was awarded a contract for athletic and physical education equipment from the U.S. Communities Government Purchasing Alliance. All U.S. Communities contracts are competitively solicited by a lead public agency in accordance with its public purchasing rules and regulations. Each solicitation contains language allowing public and private schools, and institutions of higher education to purchase from those contracts.

This physical education equipment will benefit all of the secondary schools. The funding source for this purchase will be from the Carol M. White Physical Education Program (PEP) Grant. A list of equipment to be purchased is attached.

If you have any questions, please call me. Thank you.
