

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: August 15, 2011

AGENDA ITEM: Timeline for Accelerated Instruction Waiver

ALIGNS TO BOARD GOAL(S):

Goal #1 - Students will meet or exceed educational performance standards.

Background Information: As part of the Student Success Initiative (SSI), districts and charter schools are required to provide accelerated instruction to students in grades 5 and 8 who do not demonstrate proficiency on the TAKS reading and/or mathematics tests. This accelerated instruction must occur after each administration of the test, including the third administration. A student may advance to or be placed in the next grade level only if (1) he or she completes all accelerated instruction required by the grade placement committee (GPC), and (2) the GPC determines, by unanimous decision, that the student is likely to perform at grade level at the end of the next school year given additional accelerated instruction during the course of the year. To assist districts in meeting the accelerated instruction provision after the third administration of the test, the agency is allowing districts to apply for a waiver to adjust the timeline for providing accelerated instruction to students who fail the third administration.

Administrative Considerations: Each campus has already conducted their Grade Placement Committee meetings and developed the Accelerated Instruction Plan (AIP) for each student to be implemented as soon as school begins.

FISCAL NOTE: None

Administrative Recommendation: Approve the Timeline for Accelerated Instruction Waiver for the 2011-2012 school year.
