SUBMITTED BY: Denise Bartlett, Superintendent

PRESENTED BY: Denise Bartlett, Superintendent

Section B of the policy manual, School Board Operations, has been reorganized which aligns similar policy content and maintains comprehensive information for effective board governance.

Policy BA, *School Board Operational Goals*, was a policy that had minor revisions made to policy language. The changes made improve readability and clarity.

The first paragraph was revised to read: The Governing Board is representative and responsible to the people of the District and should be aware of community opinions and attitudes and of identified District needs.

The second paragraph was revised to read: Therefore, the Board supports short- and long-range strategies that are responsive to District needs within its budgetary limitations.

The date of adoption was revised to April 21, 2026, after the second reading of this policy.

RECOMMENDED MOTION: I move that the governing board approve the revisions to Policy BA, *School Board Operational Goals*, as presented.
