

Dear Mr. Tammi and the school board,

We, the Indus Senior Class of 2023, would like to ask the school board for permission to push our class trip back from the 22-23 of March to the 23-24 of May.

Due to unforeseen circumstance of some of prior commitments of some people and lack of communication with their parents/guardians. Nothing has changed plan wise other than the date of the trip.

We have included the criteria to participate below:

In recent years the senior trips are typically 1-2 nights, have some educational components and some fun activities. Typically the classes will try to pick activities and experiences they might not do on their own so they will have some fun yet informed memories with their senior classmates.

Students and advisors will pay for food and transit fare, if we fail to raise enough money.

To be eligible for the senior trip students must meet **All** of the following criterias.

Meet ACADEMIC ELIGIBILITY: The student must be passing all classes required to graduate and all homework must be turned in the Friday before the trip. Online Acellus classes need to be completed for all courses.

DISCIPLINARY INELIGIBILITY: For the student to participate in the trip, he/she can not have more than 3 in school suspension and more than 1 out-of-school suspension.

ATTENDANCE:

- Students also need to meet eligibility by following the school attendance policy.
- Students must participate in the fundraising opportunities otherwise the student will be expected to pay their own way for the trip and a full deposit will be expected 1 week prior to departure.
- Students will not be allowed to attend the senior trip if the student has been suspended for possession, consumption, and/or being under the influence of alcohol and/or a controlled dangerous substance including tobacco during his or her senior year.

Senior Trip 2022-23 class draft suggestion

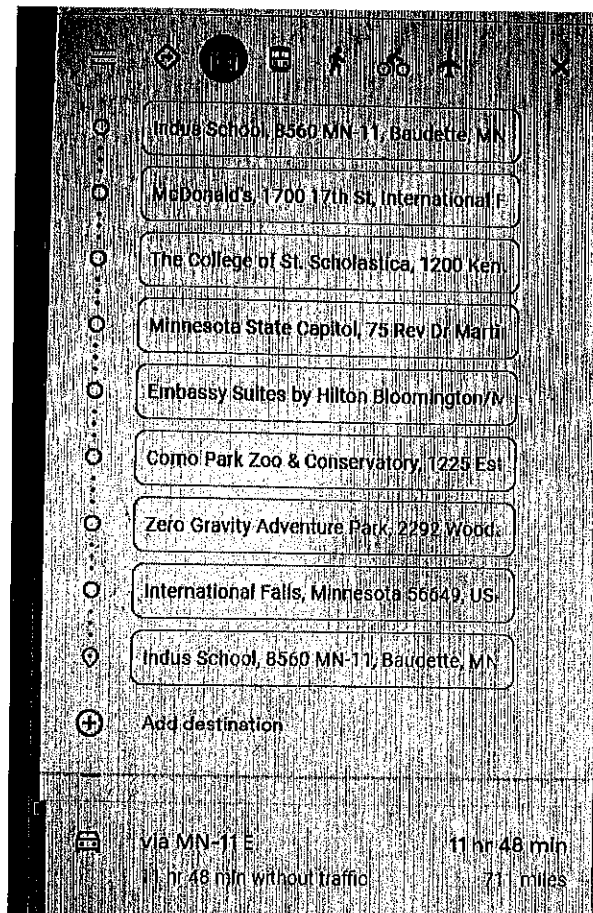

Option 1 cost estimate $670+40+380+220+250+150=$ ~\$1,710

Option 2 cost estimate $670+40+380+220+250+240=$ ~\$1,920

Option 3 cost estimate $890+40+380+220+250+240=$ ~\$2,020
