

School Board Meeting Agenda Item

Topic: Transportation Update
 Contact(s):
 Presenter(s): Lisa Rider, Director, Finance & Operations

Nature of Action Requested by Board

Board action
 Board information or scheduled report

Background Information

Representatives from CESO and First Student will be present with Lisa Rider to provide an update and answer related questions to the following topics.

1. Transportation Contract recommended for approval May 20, 2024 board meeting.
2. Facts related to the proposed increase of additional ½ mile to both elementary and secondary walking distances for Burnside Elementary, Sunnyside Elementary, and Twin Bluff Middle School:

Potential number of students that would no longer have bus transportation as an option to and from school:

	1 mile	1.5 mile	# impacted
K	unknown at this time for next year		
1	24	50	26
2	38	74	36
3	58	68	10
4	19	31	12
	1.5 mile	2.0 mile	# impacted
5	90	126	36
6	86	139	53
7	85	133	48
	400	621	221

The budgetary savings of approximately \$160,000 will only be realized if the increase in the no bus zone occurs for both elementary and middle school grades as they are served by 2 different tiers and two routes would be reduced for each tier.

Maps of the affected areas are available in the attachments to the board packet and can be reviewed during the transportation update.
