Dear Mr. Mijares;

I believe the District has the authority to waive admission fees to school events for persons 65 and over. Such waiver will serve a school district purpose by encouraging community and student family participation in District activities. Below is a suggested agenda item for the Board meeting:

" Consideration and possible waiver of admission fees to District events for person's age 65 and over in the best interest of the District."

If the waiver is to be for athletic events only add "athletic" before "events."

Best regards ;

Richard
