

## **TMS Board Report**

### **October 8, 2019**

**Battle of The Books (BOB):** BOB will be kicking off in early October. Team signups will be open until October 4th. Students will be selecting books and participating in practice sessions between now and February. There will be a local battle here on February 12th. Qualifiers will then have the opportunity to participate in the state level battle on February 24th. To read more about America's Battle of The Books check out their website at:

**Hatchet Edge Citizenship Grade:** This year we have incorporated a citizenship grade into our progress reports and quarterly report cards. Students are scored in 4 key areas using our [Hatchet Edge Rubric](#). This grade is completely separate from the academic grades they receive. This initiative works in conjunction with our current Hatchet PRIDE incentive program that encourages students to be respectful, responsible, and safe at all times while at school. The citizenship grade promotes **ethics**, **duty**/decision making, **graciousness**/kindness towards others and **engagement** in the classroom as well as our school as a whole.

In addition to receiving a grade in each of these areas, students who are spotted demonstrating exceptional behaviors in any of these categories, are nominated for entry into a quarterly drawing for some nice prizes. The prize for the first quarter is a Green Bay Packers helmet autographed by cornerback Joshua Jackson. Other incentives from this initiative will include the following:

- Recognition of individuals that receive a score of 4 in any of the rubric categories during any posting period. (mid term or quarterly)
- Recognizing students who average a score or 3 or higher during any posting period (mid term or quarterly)
- Recognizing and honoring the class with the highest accumulative citizenship score during each quarter.

We will hold an all school assembly each quarter to recognize our student achievements.
