Re: Approval for the Chicago Bears Flag Football at Antioch Upper Grade School

Attachment: 2026 Flag Football Program Agreement- Antioch Upper Grade School

Agenda Location: Consideration to Approve: Action Items

Rationale:

Administration is seeking Board approval of the Flag Football Program Agreement between the District and the Chicago Bears for a youth flag football clinic to be held on May 26, 2026. The program will provide students with an opportunity to participate in a structured ninety-minute clinic focused on the introduction and development of flag football skills through organized drills and physical activity. The agreement allows the program to be provided at no cost to the District, creating an enrichment opportunity that promotes student engagement, physical wellness, teamwork, and skill development. The clinic will be facilitated by the Chicago Bears organization and hosted at the District's facilities.

As part of the agreement, the District acknowledges and accepts responsibility for facility oversight, participant supervision, and event safety during the program. In addition, all participating students will be required to complete signed liability waivers prior to participation. The agreement also includes standard liability and assumption of risk language related to athletic activities and communicable illness exposure. This agreement has been reviewed and approved by District counsel. The administration believes this partnership provides a positive student experience and community engagement opportunity while utilizing District facilities responsibly and without financial impact to the District.

Recommendation/Motion:

Administration recommends that the Board approve the Flag Football Program Agreement between AUGS and the Chicago Bears for the May 26, 2026, student flag football clinic as presented.
