Re: Assistant Volleyball Coach Recommendation to Hire – Deanna Niles

MMK Board Members,

After conducting an interview for the position, I am recommending Deanna Niles as one of the new Assistant Volleyball Coaches.

Deanna played volleyball all through MS and HS at Montesano. This will be her first coaching position and will primarily work with our MS program. Deanna believes in skill development and working together as a team. She is also currently MMK's third grade teacher and has a great rapport with her student's, fellow staff members, and administration.

Coach Niles will be able to successfully take on the challenge of helping Coach Brehmeyer build the foundation of the Volleyball program. She has the time and dedication to teach our student athletes the fundamentals and skills to be a part of a successful Volleyball program.

Thank you.

Tom Kerr
