October 2015

Week of October 5th - This week is Fire Safety and Community Helpers week. We have a nurse coming to visit to let us know how they help people when they are sick or hurt. The Aubrey Fire Dept. will be here to show us the fire truck and explain to the kids what they do when there is a fire. Then, Chief Collins will stop by to let us know how police officers help to protect the community as well. What a fun week this is going to be. Also, our letter we are learning about this week is "F".

Week of October 12th - We are going to be talking about pumpkins this week. Also learning about all the beautiful fall colors such as: orange, brown, red, yellow and purple. This week's letter we are learning is "G". Then, we will have our field trip to the pumpkin farm. Pre-K will be riding on the school bus to the pumpkin farm where they will get pick out their very own pumpkin, feed the animals, go for a hayride and have a picnic. So much fun to be had!!!

Week of October 19th - Things are starting to get busy here at EBLC. This week's letter is "H". They will also be learning about the fall leaves, acorns and squirrels and how they gather and store nuts for the winter. Then everyone will be getting

their smiles on this week. Lifetouch will be out to take our fall school pictures. Say Cheese!!!

Week of October 26th - BOO! It's Halloween week!!!! We will start out with the letter "I" and learn about nocturnal animals. How they sleep during the day and up all night. Talk about getting their days and nights mixed up!!! Moving right along, we will also be having our annual Character Parade. The theme this year is Pete the Cat. Each class will dress up in their favorite Pete the Cat book attire and then there will be a parade in the gym showing their awesome costumes in front of family and friends and the teacher will read the book they chose. It's going to be a lot of fun. Then they will go trick or treating to the administration office. The ladies are so sweet to give out candy to our kiddos. Also, don't forget it's fall backwards weekend. Set your clocks back 1 hour. Yeah, an extra hour of sleep is always nice!!!
