Dear Gail,

Muller Pinehurst Dairy is pleased to submit Renewal Request for milk, to be delivered to your school during the April 2015-2016 school year.

Based upon the April Central Milk Producers Cooperative price of 21.05 per cwt. for raw milk, our prices are as follows: (Note: May raw milk pricing available on April 21, 2015)

See attached:

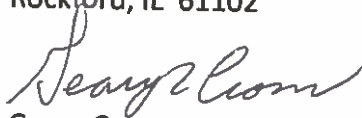

A .0030 per half pint increase has been reflected on the attached renewal on white half pints, to recover cost on packaging and labor we have incurred this past year. The flavored milk also includes an adjustment for sweeteners as well as packaging and labor, for a total of .0040 per half pint on LF Choc/Straw/Vanilla.

The formula to be used for milk price adjustments from month to month will be .00025 for every .05 increment of change per cwt. in the cost of raw milk as announced by Central Milk Producers Cooperative (CMPC).

Our renewal is based on an as needed delivery. We will furnish automatic refrigeration and straws upon request.

Muller Pinehurst products are all freshness dated. An expiration date can be found across the top seal of each half-pint.

Sincerely,
Muller-Pinehurst Dairy, Inc.
