Subject: Consent Calendar – New Weight Room Equipment

Bonneville High School requests approval to purchase new weight room equipment from one of three vendors who have submitted bids. Upon completion of fundraising, the selected vendor will be chosen based on cost, product availability, quality, design, and overall functionality.

The total project goal is approximately \$120,000. Funds will support equipment purchases, facility design elements, sponsorship recognition, and cosmetic upgrades to the existing weight room.

Funding will come exclusively from designated sponsorships and online donations for this project. To date, \$86,050 has been secured through company sponsorships. All funds will be processed through the Weber School Foundation.

Please contact Rich Murray, Principal, with any questions regarding this request.
