

DUNCANVILLE ISD

Writing success stories, one student at a time.

Regular Board Meeting

October 20, 2025)

AGENDA SECTION: Consent Agenda

SUBJECT: Approval of Data Sharing Agreement (For Educational Research Purposes)
Between Commit2Dallas (The Commit Partnership) and The Duncanville
Independent School District

BOARD POLICY: FL (Legal)

STRATEGIC GOAL(S): 1.1 and 1.2

FISCAL NOTE: None Required

PREPARED/PRESENTED BY: Tijuana Hudson, ED of Student Services and Campus Support

Background Information

- The Commit Partnership is a collective impact organization composed of 200+ partners across Dallas County and the state of Texas. Together, the Partnership cultivates a collaborative educational ecosystem across school systems, higher education institutions, city, county, and state governments, foundations, non-profits, employers, and workforce agencies.
- The District desires to continuously improve instruction in schools and would like to authorize Commit to receive education records, including individual student, teacher, and principal data, to conduct research studies in conjunction with Commit's Cradle to Career Partnership efforts.
- Commit follows FERPA guidelines and ensures the confidentiality of personally identifiable information.

Recommendation

It is recommended that the board approve the Data Sharing Agreement (For Educational Research Purposes) Between Commit2Dallas (The Commit Partnership) and The Duncanville Independent School District.

Communication Deployment

District records and board policy

Suggested Motion

I move that we approve the Data Sharing Agreement (For Educational Research Purposes) Between Commit2Dallas (The Commit Partnership) and The Duncanville Independent School District.
