

DRAFT  
BOARD GOALS  
2005/06

- Create an environment of respect for each individual that fosters the value of effective teamwork.
  - Commit to attending all Board meetings fully prepared.
  - Appreciate and tap into each Board member's skills and experiences.
  - Focus time and energy creating solutions proactively.
  - Ask pertinent questions as a tool for learning. Accept pertinent questions as an opportunity to increase knowledge.
  
- Increase productive dialog among Board members and between the Board and all Administrative personnel.
  - Change the format of the first Board meeting of each month into a roundtable format consisting primarily of Administrative & Board Reports.
  
- Model continuous & expanded learning by regularly attending & participating in State & National Education Workshops.
  - Attend the TASA/TASB State Convention in September 2005
  - Attend the NASB Conference in April 2006 or an equivalent.
  
- Establish policies and oversee processes to guide the implementation of the Curriculum Audit.
  - Review, create & revise, as necessary, all policies regarding Curriculum.
  - Review and implement the appropriate Governance recommendations contained within the Curriculum Audit.
