RE: Removal of chalkboards and addition of marker boards district-wide

As discussed at the May 13, 2019 Board Workshop, we are recommending the removal of chalkboards from the requested campuses district-wide and the addition of marker boards to approximately 11 campuses.

Recommendation: The Board of Trustees approve utilizing up to \$300,286 of the 2016 bond dollars for the purchase of marker boards including the removal of chalkboards and the installation of the marker boards.
