Regular Meeting - Board of Education

Date: October 11, 2018

Agenda Item #9. B.

TOPIC: District Data Highlights

BACKGROUND: District data is not only used to report to the MDE, and monitor progress of students but it is used to improve programing. This presentation will provide a few examples of how we use data to make program changes.

PURPOSE OF PRESENTATION: The purpose of this presentation is to provide the Board and community with the overview of the District level data and how we interpret these data to inform instruction and curricular decisions.

LEARNING OBJECTIVE: As a result of this presentation, the Board will have an understanding of how we use data to improve systems.

ACTION RECOMMENDED: Discussion
